

Join us as we kick off Breast Cancer Awareness month

Power of Pink Breast Health Event

Thursday, October 1, 2009

5:30 p.m. – 8:00 p.m.

Inova Loudoun Hospital
Conference Rooms A & B
44045 Riverside Parkway
Leesburg, VA 20176

- **Receive breast health education**
Shannon Lehr, MD, breast surgeon, will present *Taking Control of Breast Health: Empowering Women to reduce their risk of breast cancer through diet, exercise and lifestyle changes*
- **Meet our experts and get your questions answered**
Hear from our panel experts, including American Cancer Society, a board-certified breast radiologist, our breast care navigator, Life with Cancer, Nordstrom's mastectomy fitter, Inova Loudoun Hospital support programs, Breast Cancer Network of Strength, a Lymphedema Therapist and a Nutritionist
- **Get a behind-the-scene look at our Breast Imaging Department**
Tour our ultrasound, MRI, digital mammography and our newly renovated mammography suite designed for women

Call 703-750-8812 or visit inova.org/girls
to register today!

Enjoy refreshments and receive a free gift!

Inova Loudoun Hospital is part of Inova Breast Care Institute, which has more than 100 breast cancer experts and patient-care navigators that provide a network of care to patients in the Washington, D.C., metropolitan area. With access point at Inova hospitals and facilities throughout Northern Virginia, Inova Breast Care Institute cares for more than 1,100 women each year—more than any other healthcare provider in the Northern Virginia area.
